### SAFETY PRECAUTIONS

Please take time to read the important instructions in this booklet. Observing the step by step instructions and complying with warning will be your personal guarantee to greater game satisfaction over a long period of time.

- 1) This is a high precision Game Pak. Do not store it in places that are very hot or cold. Never hit it or drop it. Do not take it apart.
- 2) Do not touch the connectors. Do not get them wet or dirty. Doing so may damage the Game Pak and/or Control Deck.
- 3) Do not clean with benzene, paint thinner, alcohol or other such solvents.
- 4) Store the Game Pak in its protective sleeve when not in use.
- 5) Always check the Game Pak edge connector for foreign material before inserting the Game Pak into the Control Deck.

## 1. STORY

Strike at the enemy's mechanical heart!

The boss called Mandora has appeared.

In a century on the Space Calendar, earthmen were driven from the lands into the ocean floor by a great devil named **Mandora**

and monsters under his orders. The Earthmen decided to fight against **Mandora** to win back the lands favored with sunshine and trees and organized an organization called **TERRA CRESTA** for the purpose of winning back the earth. Fight and beat **Mandora**! Take back parts from the hahgar and attack enemies utilizing battle formation techniques.

A variety of attacks are possible through the power-up by the docking with a lot of parts you have or the re-assembly by combining separated parts. After beating more than 30 enemies, you will have to destroy the Great Devil named **Mandora** in a single combat.

## 2. How to control

### ◆ Controller parts

- ① Control Pad
- ② SELECT button
- ③ START button
- ④ B button
- ⑤ A button

1. Control Pad: Allows movement in 8 directions.
2. SELECT button: While the title screen is displayed, pressing this button moves the arrow. Select "1 PLAYER" or "2 PLAYERS".
  - If you select "DESIGN", refer to the section regarding formation design (page 8 to 9).
3. START button: Pressing this button starts the game selected by the SELECT button. While this game is being executed pressing this button causes the game to be stopped. After that, pressing this button again starts the game.
4. B button: Pressing this button allows you to beat an enemy with canon beam.
5. A button: During the docking with the parts you have, pressing this key allows you to attack the enemies in battle formation.
  - The F mark in the center of the lower part on the screen shows how often battle formations are possible. (an additional 3 times are permitted each time you win back your parts.)

### 3. Formation design

The FORMATION DESIGN function enables you to select any battle formation you desire in terms of parts position and beam shooting direction. We hope you will find a creative combination.

#### 1. TITLE screen

Move the arrow by using the SELECT button and select DESIGN. Pressing the START button displays the SELECT screen.

#### 2. SELECT screen

Select "1st PLAYER" or "2nd PLAYER" and then press the START button.

#### 3. SHIP LOCATION screen

Pressing the A button causes the blinking red light to move from #1 fighter through #5 fighter. And press the B button to specify the position of the main body. If a parts position is decided on, press the SELECT button.

#### 4. BEAM DIRECTION screen

Parts will change themselves into arrows which show beam directions. Pressing the A button moves a red blinking light for parts selection. And pressing the B button changes a beam direction (up to 8 direction). When you specify the beam direction of all parts, the formation design is completed. Pressing the SELECT button displays the SHIP LOCATION screen and pressing the START button returns the display to the TITLE screen.

## 4. How to play

Your attacking power increases by destroying a hangar and docking the parts you have. In addition, battle formation attack by separating parts enhances your power.

## COMPLIANCE WITH FCC REGULATIONS

This equipment generates and uses radio frequency energy and if not installed and used properly, that is, in strict accordance with the manufacturers' instructions, may cause interference to radio and television reception. It has been type tested and found to comply with the limits for a Class B computing device in accordance with the specifications in Subpart J of Part 15 of FCC Rules, which are designed to provide reasonable protection against such interference in a residential installation. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient the receiving antenna
- Relocate the NES with respect to the receiver
- Move the NES away from the receiver
- Plug the NES into a different outlet so that computer and receiver are on different circuits.

If necessary, the user should consult the dealer or an experienced radio/television technician for additional suggestions. The user may find the following booklet prepared by the Federal Communication Commission helpful:

**How to Identify and Resolve Radio - TV Interference Problems.**
